

Associate External Audit (all genders)

[Apply now!](#)

Role & Responsibilities

- Depending on your previous experience, we offer you different entry possibilities and corresponding responsibilities.
- After a short training period, you will focus on auditing annual and consolidated financial statements and group reporting packages in accordance with national and international accounting standards. You will also work on all issues relating to accounting, valuation, risk controlling and risk management.
- Depending on your expectations, we will decide together in which team you can best contribute your interests and strengths and develop yourself. You have the opportunity of being trained in industrial auditing or in the area of financial services (insurance or banking).
- The increasing relevance of ESG and sustainability also offers you the opportunity to deal with current issues, laws and standards in practice.

Skills, Knowledge, Experience

- You have successfully completed your business studies, preferably with a focus on auditing, accounting and/or finance
- Ideally, you have already gained initial experience in the field of auditing and/or consulting through relevant internships or comparable assistant activities
- You convince with creative problem-solving skills and thanks to your fluency and English you are also able to operate confidently in an international environment. Furthermore, the basic knowledge of German or the willingness to learn the German language is desirable
- Enjoyment of service-oriented work as well as a high degree of teamwork and communication skills round off your profile.

Why Mazars

- **Challenge yourself** – Our global learning platform offers countless development programmes and training courses, including individual learning pathways, basic training, off-site modules and access to LinkedIn Learning for personal and professional development
- **We invest in you** – Financial support for professional exams and other qualifications relevant to your career
- **Broaden your horizons** – Get a change of perspective through a secondment abroad or through involvement in cross-disciplinary projects focusing on innovation and sustainability
- **Always in motion** – Travel to the office on a BusinessBike or keep fit after work with the Urban Sports Club flat rate
- **Your well-being is important to us** – Individual coaching, team workshops and access to free, anonymous advice on issues in the workplace or in your private life are available to you and your relatives
- **Your time matters** – Remote working, 30 days of annual leave and subsidised time accounts for flexible working arrangements (such as sabbaticals)
